Kitagawa

Nestled among the greenery of a country club lies Kitagawa, an intimate enclave that serves up Japanese food with a twist. Take your pick from the decadent *chawanmushi* (steamed egg) with sharks fin, or savour the seared *wagyu* beef with dressing. An extensive selection of *sake* and *sashimi* is also on offer to satisfy the discerning gourmet. As an added bonus, parking on the club's premises is free, and a free shuttle bus service to the club is also available from Yishun MRT.

#02-02 Driving Range, Orchid Country Club, 1 Orchid Club Road.
