Cafes, restaurants, shops, and large number of vendors and buyers constitute a dynamic panorama of the place. Drinking Hibiscus, Karakare, Helba, or any of the various typical Egyptian beverages, is a pleasant experience for visitors and guests to get a real taste experience. We strongly recommend visiting this vivid bazaar, but keep in mind that in open traditional markets, the prices are not fixed; remember to bargain (haggle) to get the best price. The Khan El-Khalili Bazaar is place where art and commerce come together to give a unique and remarkable, harmonious experience.
